

MEMBER TO MEMBER BENEFIT PROGRAM

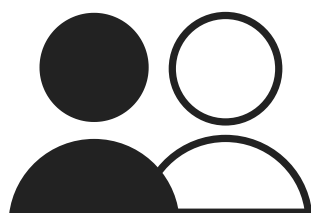

What is the M2M Benefit Program?

The M2M Benefit Program is a program for member businesses to have the opportunity to offer exclusive deals, such as discounted products or services, to other member businesses. Once signed up, you will have access to all other participating member's deals.

What are the benefits?

Benefits include being able to receive discounts at other member businesses as well as increasing business potential and networking. This program is designed to enhance membership value and increase your visibility.

How do I become apart of the program?

To join the M2M Benefit Program, all you need to do is follow [this link](#) and fill out your business information and the discount you are offering! Now, you are officially apart of the M2M Benefit Program!

What now?

Use this program to spotlight your business, to inspire fellow Chamber members to sign up for the M2M Benefit Program to receive exclusive deals, and to encourage local shopping.
